Correction to: *British Journal of Cancer* (2015) **113**, 716–721; doi:10.1038/bjc.2015.279; published online 27 August 2015

deficient' in the 'MMR IHC' section; however, the data are correctly described in the text. The corrected Table 2 is reproduced below.

Upon publication of the above paper in *British Journal of Cancer*, the authors noted an error in Table 2. There was an inversion of the term 'proficient/

Table 2. Pathological characteristics			
	Total	Caucasian	Asian
Laurén classification			
Intestinal	60	48	12
Diffuse	24	16	8
Mixed	12	7	5
Adenosquamous	4	4	0
WHO grading			
2	25/100	21/75	4/25
3	75/100	54/75	21/25
HER2 score (IHC and ISH)			
Positive	36/100	28/75	8/25
Negative	64/100	47/75	17/25
MMR ICH			
Proficient	93	70	23
Deficient	6	4	2
NA	1	1	0
E-cadherin IHC			
Present	89	67	22
Loss	9	7	2
NA	2	1	1

Abbreviations: MMR=mismatch repair proteins; NA=not available. Laurén P (1965). Laurén classification. *Acta Pathol Microbiol Scand*. WHO Classification of Tumours of the Digestive System. Lyon: IARC, 2010.

ERRATUM

TNF-alpha and melphalan-based isolated limb perfusion: no evidence supporting the early destruction of tumour vasculature

L E Podleska, K Funk, L Umutlu, F Grabellus, G Taeger and H de Groot

Correction to: *British Journal of Cancer* (2015) **113**, 645–652; doi:10.1038/bjc.2015.246; published online 14 July 2015

The authors have become aware that Dr F Grabellus's affiliation is not 'Zentrum fuer Pathologie Essen-Mitte, ZPEM, Am Deimelsberg 34a,

D-45276 Essen, Germany' (as it appears in the above paper) but 'Institute of Pathology and Neuropathology, University Hospital of Essen, University of Duisburg-Essen, Hufelandstrasse 55, D-45122 Essen, Germany'. The error has now been corrected.
